

VER-MAC

TM-2056 TRUCK-MOUNTED MESSAGE SIGN

Ver-Mac's TM-2056 is a full-matrix truck-mounted message sign that is powered from the truck's battery. The TM-2056 offers some graphic capability such as one touch arrow, directional display and sequencing functions. The TM-2056 allows 2 lines of text and 9 characters per line. The TM-2056 features the innovative V-Touch controller that plugs into the cigarette lighter. The TM-2056 is ideal for highway construction and maintenance crews, highway stripping trucks, highway emergency and helper trucks.

Optional power tilt and bed floor supports

V-TOUCH CONTROLLER

NTCIP COMPLIANT

EASY-TO-READ

7-inch (178 mm) color LCD touchscreen display

USER-FRIENDLY

Touch icon-based menu items

TIME-SAVING

Create your own library of messages

SIMPLE TO OPERATE

The intuitive point-n-go icons ensure quick and easy commands to raise or lower the sign* and display or edit messages

ADDITIONAL FUNCTIONALITIES

Scheduling, sign diagnostics, pin-protected security, and much more

* An optional wireless version of the controller is available

*For optional power tilt support.

MOUNTING OPTIONS

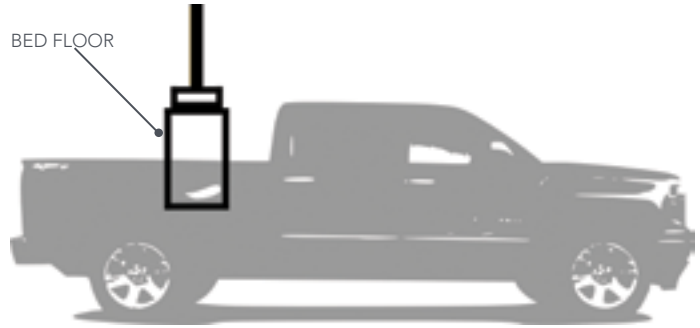

POWER TILT WITH AUTO UP/DOWN FEATURE

The Auto Up/Down feature ensures that the sign is in the display position when in use and in the travel position when unit is off preventing damage and reducing wind drag.

- Display a message and the sign automatically raises to display position
- Select off and the sign automatically lowers to travel position
- Actuator's integrated limit switch prevents motor gear wear and tear
- Automatically detects the upright position—clear indicator on the display showing if the sign is in the up or down position
- Bed Floor mounting can be added (optional)

VMS-A58

VMS-A15*

*Can be added to either manual or power tilt mounts

WIRELESS V-TOUCH CONTROLLER (OPTIONAL)

The wireless V-Touch controller option makes installation quick and easy. Simply connect the controller in the cigarette plug and you are ready to go!
